

# IMPACT OVERVIEW 2024

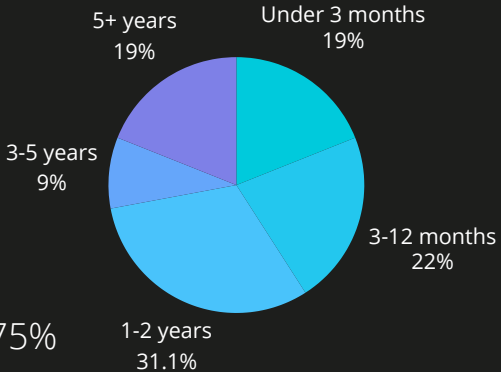

In 2024 we asked our young people, volunteers, partners and parents about the impact of our work. This is what we learnt...

# YOUNG PEOPLE

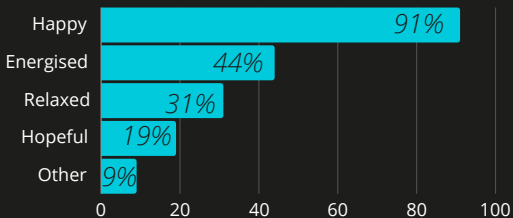

During two weeks in May 2024, 32 young people completed a survey about our work in general. 63% of those surveyed were between the ages of 13-18, with the remaining age 9-12. 66% of respondents identified as female...

**How long have you been involved with Rise:61?**

Attended multiple Rise:61 activities.

**How does being part of Rise:61 make you feel?**

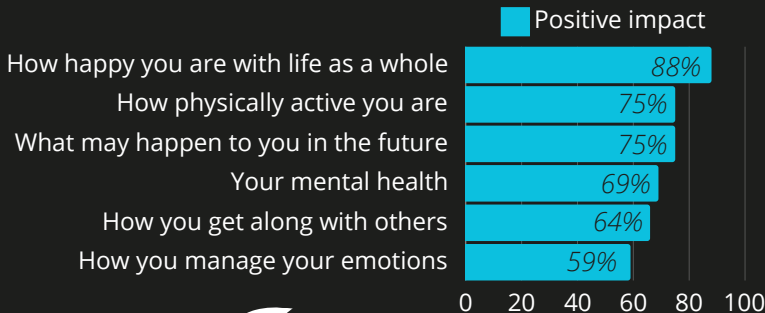

said Rise:61 felt like a family to them (somewhere you feel appreciated and belong)

*"Feels like home, people are kind"*

*"Bc there always there to help, no matter what and include you like your family"*

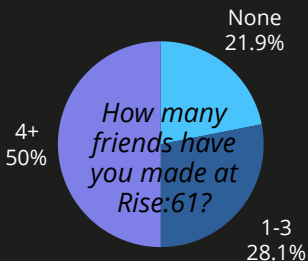

# YOUNG PEOPLE

Young people's perceptions of the impact our work has had on their lives in the last 6 months...

*"It's a great place to meet new friends and easy to talk to the people who run it"*

*"It is a fun place to let my feelings out"*

*Young people said someone in Rise:61 was a trusted adult who they could reach out to for support*

## Relationships are central to our impact

- If a young person had made a friend at Rise:61, there was a 34% increase in the impact of our work.
- If a young person had a trusted adult in their life (from Rise:61 or elsewhere), there was a 96% increase in impact of our work.

# YOUNG PEOPLE

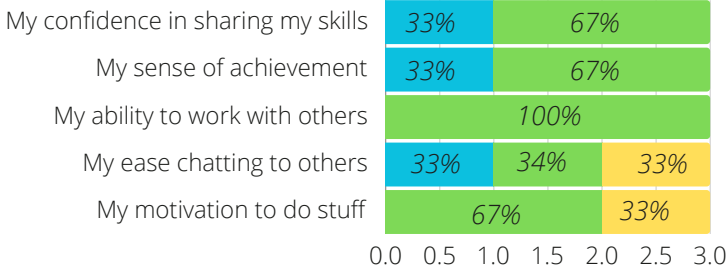

During two weeks in July 2024, 30 young people completed surveys asking about the impact of the specific clubs we run. This is what we learnt...

*"Better at communicating and trusting adults"*

***What other impact have you seen?***

# PARENTS

***How does the support we give your child impact you as a parent or guardian?***

*"Gives me peace of mind and makes me happy that that he has a group outside of home and school to socialise with and learn from."*

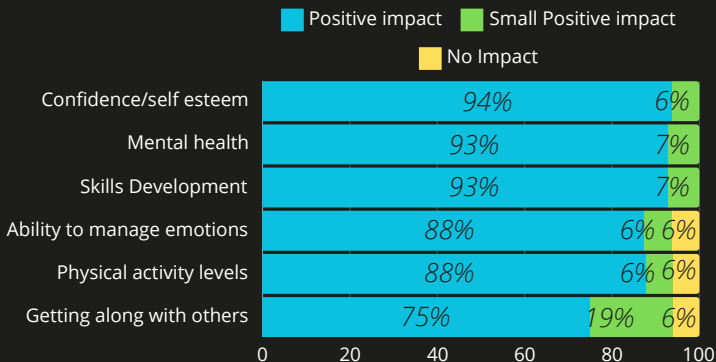

*When asked how we could develop support further, suggestions included music, meet ups with parents & children, group for children with additional needs*

***"This team truly are amazing, the hard work by all doesn't go unnoticed. The community garden is a great example, it's absolutely beautiful 🥰 it's a beautiful place for our kids to enjoy and learn. Each person is so kind, caring and thoughtful and I am truly grateful for my child being apart of such a wonderful group"***

# COMMUNITY PARTNERS

We heard from 18 community partners, including head teachers, housing services, family keyworkers and delivery partners...

## What impact do you see/feel that Rise:61 has on young people?

*"Wellbeing for the family - parents feel supported"*

*"Students looking forward to attending provision"*

## What other impact have you seen?

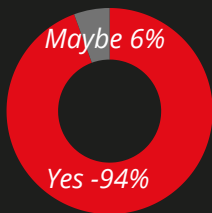

*"Positive association with living on the heath"*

*"Helping to secure supportive and lasting relationships"*

# COMMUNITY PARTNERS

Partners had positive associations with working with Rise:61, with 77.8% saying it makes them feel part of a supportive community...

**Would you recommend partnering with Rise:61?**

*"The resources and skills that Rise:61 bring to the young community are outstanding, the support and aspiration for the young folk is valued greatly by the community and the organisations that operate on the estate." - Partner organisation*

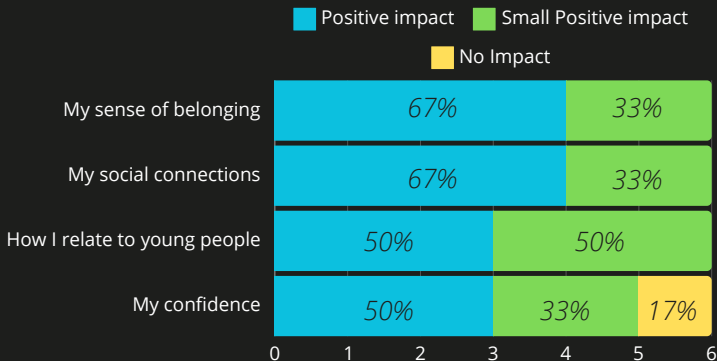

Generally partners felt what we provide was of huge value to the community - providing a reliable, safe and supportive environment where young people can have fun, build their confidence, and connect with youth leaders of great character. This was strengthened by the length of time we've been working in the community.

*"We have had such great experiences working with Rise:61 and our students have really enjoyed, valued and benefited from the services." - Local School*

*Improving how we advertise activities to encourage partnership working was an area of feedback we are actioning*

# VOLUNTEERS

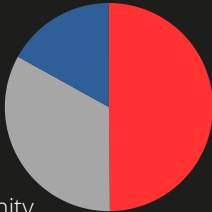

The 6 people we spoke to volunteered 2 hours a week on average and rated their volunteering experience as either good or very good. They shared that being part of Rise:61 had impacted them in the following ways...

# VOLUNTEERS

When asked how volunteering made them feel, they shared...

Inspired  
16.9%

Like I'm making a difference  
49.9%

Part of the community  
33.2%

*"I'm learning new things everyday"*  
Volunteer

*"I feel connected to the community, and feel part of something that is making a difference!"*  
Volunteer

Volunteers have a desire for more training opportunities which we will implement in the years ahead.
